Dear Prayer Warriors,

Recently, we were in two churches that have faithfully supported us since the beginning of our deputation. While in these churches, the Lord reminded us of the importance of the individuals in our supporting churches. One man looked us in the eye with tears in his eyes and said, "I can say for certain that my wife and I pray for you every day." Another lady faithfully sends each of us a card with a small monetary gift for every birthday and anniversary. Another lady, who keeps in touch with us through email, said, "Your family has a special place in our hearts." Needless to say, we were again humbled by the faithfulness of these dear people.

So instead of a prayer letter where we are asking for prayer, this is a prayer letter where we, as a family, are thanking you for your faithfulness in prayer on our behalf. As we look back over our years of ministry in Haiti, we thank you for the prayers that have caused great victories to take place. In the last prayer letter, we mentioned Pastor Ronald, the newly ordained pastor of our second church plant. His mother, who was the wife of a witch doctor, never stepped foot in a church until the day Pastor Ronald was ordained. With tears in his eyes he asked the church to pray for her salvation because he knew God was working in her heart. Many of you answered the call to pray and on January 1st, his mother who had been enslaved by Satan, was gloriously saved and delivered by the blood of Jesus Christ. That is just one of the many victories that have been won because of your faithful prayers on our behalf.

We also want to thank you for the prayers that have thwarted Satan's plans for destroying our family and ministry. Satan has tried and will continue to try every tactic in his book to stop what God is doing in the lives of the Haitians to which we minister. By the grace of God and through your prayers, we have pressed on through divisions, riots, sickness, financial problems, earthquakes, hurricanes, and a myriad of other physical and spiritual attacks. Then there are other attacks that have been stopped by your prayers before we have even seen them. Thank you for interceding for us in a way which has kept Satan's attacks at bay.

Lastly, we want to thank you for those prayers of blessing in which you beseech the Lord in some special way on our behalf. Huge needs, small requests, and daily blessings have all come our way because of your prayers. You will never know the situations that have been resolved, the crises that have been prevented, and the hurdles that have been jumped all because you were praying for us daily. Those daily prayers of, "Lord, please bless the Pearts today," carry more weight than you could ever imagine.

II Corinthians 1:11 says, "Ye also helping together by prayer for us." We want to say THANK YOU for praying for us. Thank you for faithfully going to the throne of grace on behalf of our family and ministry. We pray that we can be as faithful as your missionary as you are in praying for us.

In Christ,

Harry, Melissa, Benjamin, Madelyn, Micah, and Bethany Peart

2Tim. 2:2 And the things that thou hast heard of me among many witnesses, the same commit thou to faithful men, who shall be able to teach others also.
